Dedication

We, the Calaveras Union High School Student Body, dedicate our 1951-1952 high school annual to the memory of Bill Turner, better known to us as Buster. In so doing, we remember all former students who are now in the service of their country.

Foreword

Though time will pass and we shall part, this book will be an unbreakable link in your chain of memories. And if, when looking through these pages, you relive the happy days of yesteryears for just awhile, our efforts will not have been in vain.

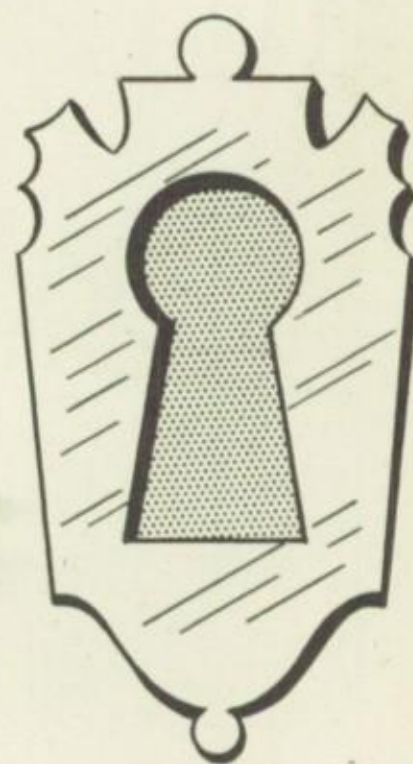

Thus we present this book to you; may your hearts be lighter and your lives be happier for the memories it may bring.

O. L. Kenfield Principal's Message

One of the most prized possessions of any high school graduate, whether he was a member of the class of '01 or '51, is his high school Annual. One by one as the years go by, the material things we cherished most highly as a high school student are worn out, lost, destroyed, or forgotten: Sweaters, letters, medals, awards, certificates, pictures gradually disappear but the Annual stays on. This 1952 Skull will be no exception. Of the some three hundred copies printed, a considerable majority of them will still be in existence by 2000 A. D. Be sure to keep your copy. You enjoy it now, you will continue to enjoy it through the years to come.

Board Of Trustees

We, the members of the Calaveras Union High School Student Body, take this opportunity to thank the BOARD OF TRUSTEES for the months of service rendered without pay, and for the genuine interest they have always shown in our school. This year many hours have been spent, not only in formulating school policies, but also in planning new and better facilities for us.

SENIOR OFFICERS

Second row: Mrs. Alford, Pat Montgomery, Bob Russell, Rod Kuhn, Marlene Hymer, Ted Schadewitz, Venita Andrews, Mr. Hopper.

First row: Boyd Austin, Joe Larson, Kenneth Deboy, Don Murrison.

Seventy-nine frightened freshmen entered Calaveras in September 1948. We shall long remember with what fear and trembling we looked forward to the Freshman Initiation, and it was not until after it was over that we really began to feel at home.

The highlight of our sophomore year was our trip to the College of the Pacific where we saw a production of Julius Caesar.

All our efforts in our junior year were devoted to making the Junior-Senior Prom a success. The theme "Enchanted Island" was carried out beautifully and in great detail; everyone agreed that it was the "best ever."

Mrs. Alford and Mr. Hopper, who have been our sponsors for the past three years, worked diligently with the committees to plan the banquet and decorate the gym.

As juniors, we took upon ourselves the task of revising the Student Body Constitution in order to make the government of our school more democratic; equal class representation in the Student Council and provision for regular Student Body and Student Council meetings were some of the revisions.

Our class has always been high in scholarship having an average of seventeen on the honor roll each semester. Martha Gates, Gwen McClelland, Janet Rossetti and Frank Sandretto were elected to membership in the National Honor Society at the end of their junior year. A chapter of CSF was established in February 1952 and several seniors will receive the gold seal on their diplomas.

In athletics, as well as in scholarship, many members of our class have been outstanding. Francis Kirk made a letter in varsity football in his freshman year. This year, seventeen out of a twenty-five man squad in football and eight out of eleven in basketball are members of the senior class.

We shall never forget the past four years we have spent at the "Rock," nor the many happy times we have had and the friends we have made.

Organization

Pep Club

C. S. F.

A chapter of the CALIFORNIA SCHOLARSHIP FEDERATION was founded this year at Calaveras Union High School. The purpose of this organization is to promote higher scholastic achievement and to have an active group of honor students.

A student must apply for membership in C. S. F. every semester. To be accepted he must have a minimum of ten points, two of which may be earned by participating in extra curricular activities. An A received in an academic subject is worth three points and a B one.

Seniors who have been members for six semesters receive a gold seal on their diplomas and the C. S. F. lamp pin.

Second row: Mrs. Alford, Venita Andrews, Frank Sandretto, Gene Weatherby, Kenneth Deboy, Gwen McClelland, Janet Rossetti, Bob Kamena, Daryl Jordan.

Student Council

The STUDENT COUNCIL, the governing body of the Calaveras Union High School Student Body, has become more democratic this year. For the first time, class representatives met with the student body officers to discuss and decide upon matters affecting the student body.

Regular monthly student body meetings have been held, thus giving all students an opportunity to express their opinions. Some of the members of the Student Council were in the group that helped to revise the Constitution and bring it up to date.

The Council sent student delegates to various youth conferences. Due to the efforts of this organization, the advantages of belonging to the California Scholarship Federation were explained to the Student Body, which voted to establish a chapter of CSF at Calaveras Union High School. Plans are under way to form a Student Court with the members of the Student Council acting as Supreme Judges.

It is indeed an honor to hold a Student Council office and any student who is a member of the Council receives many benefits, training in leadership and practice in representative government.

A great honor was bestowed upon the BAND this year when it was invited to participate in the pageant preceding the East-West football game at Kezar Stadium in San Francisco.

Some members of the band and chorus attended a Music Festival in Modesto.

During the Christmas season, the CHORUS gave several numbers for our student body and for Fricot Ranch School. Later in the year, they entertained the Parent Teachers Association in West Point.

Spring activities will include several concerts here and in surrounding communities.

NARCOTICS

Recently the students of Mo-
desto High School started a peti-
tion asking the death penalty for
convicted dope peddlers be made
a law. Some say the death pen-
alty is a pretty stiff sentence, yet
when you consider the physical,
mental, and moral damage that
dope causes you can hardly con-
sider it as such. You may ask,
how does this affect me? I am
only a high school student. The
narcotics racket affects people of
every age, particularly teen-
agers and young people, as re-
cent statistics show.

In one city, during a short
period of time, two special agents
found that more than one hun-
dred and fifty high school stu-
dents between the ages of thir-
teen and seventeen were users
of cocaine or heroin. In Chicago
police and U. S. officials esti-
mate more than half of the Negro
students use narcotics. This is
just a brief glimpse of how this
nation wide problem affects you.

Often dope peddlers prey es-
pecially on high school students,
get them hooked and then charge
outrageous prices for the nar-
cotics. After the student becomes

dope. This often leads to a
career of crime. Records of Po-
lice Department all over the
country show that a large per-
cent of crimes of violence are
committed by reefer smokers.

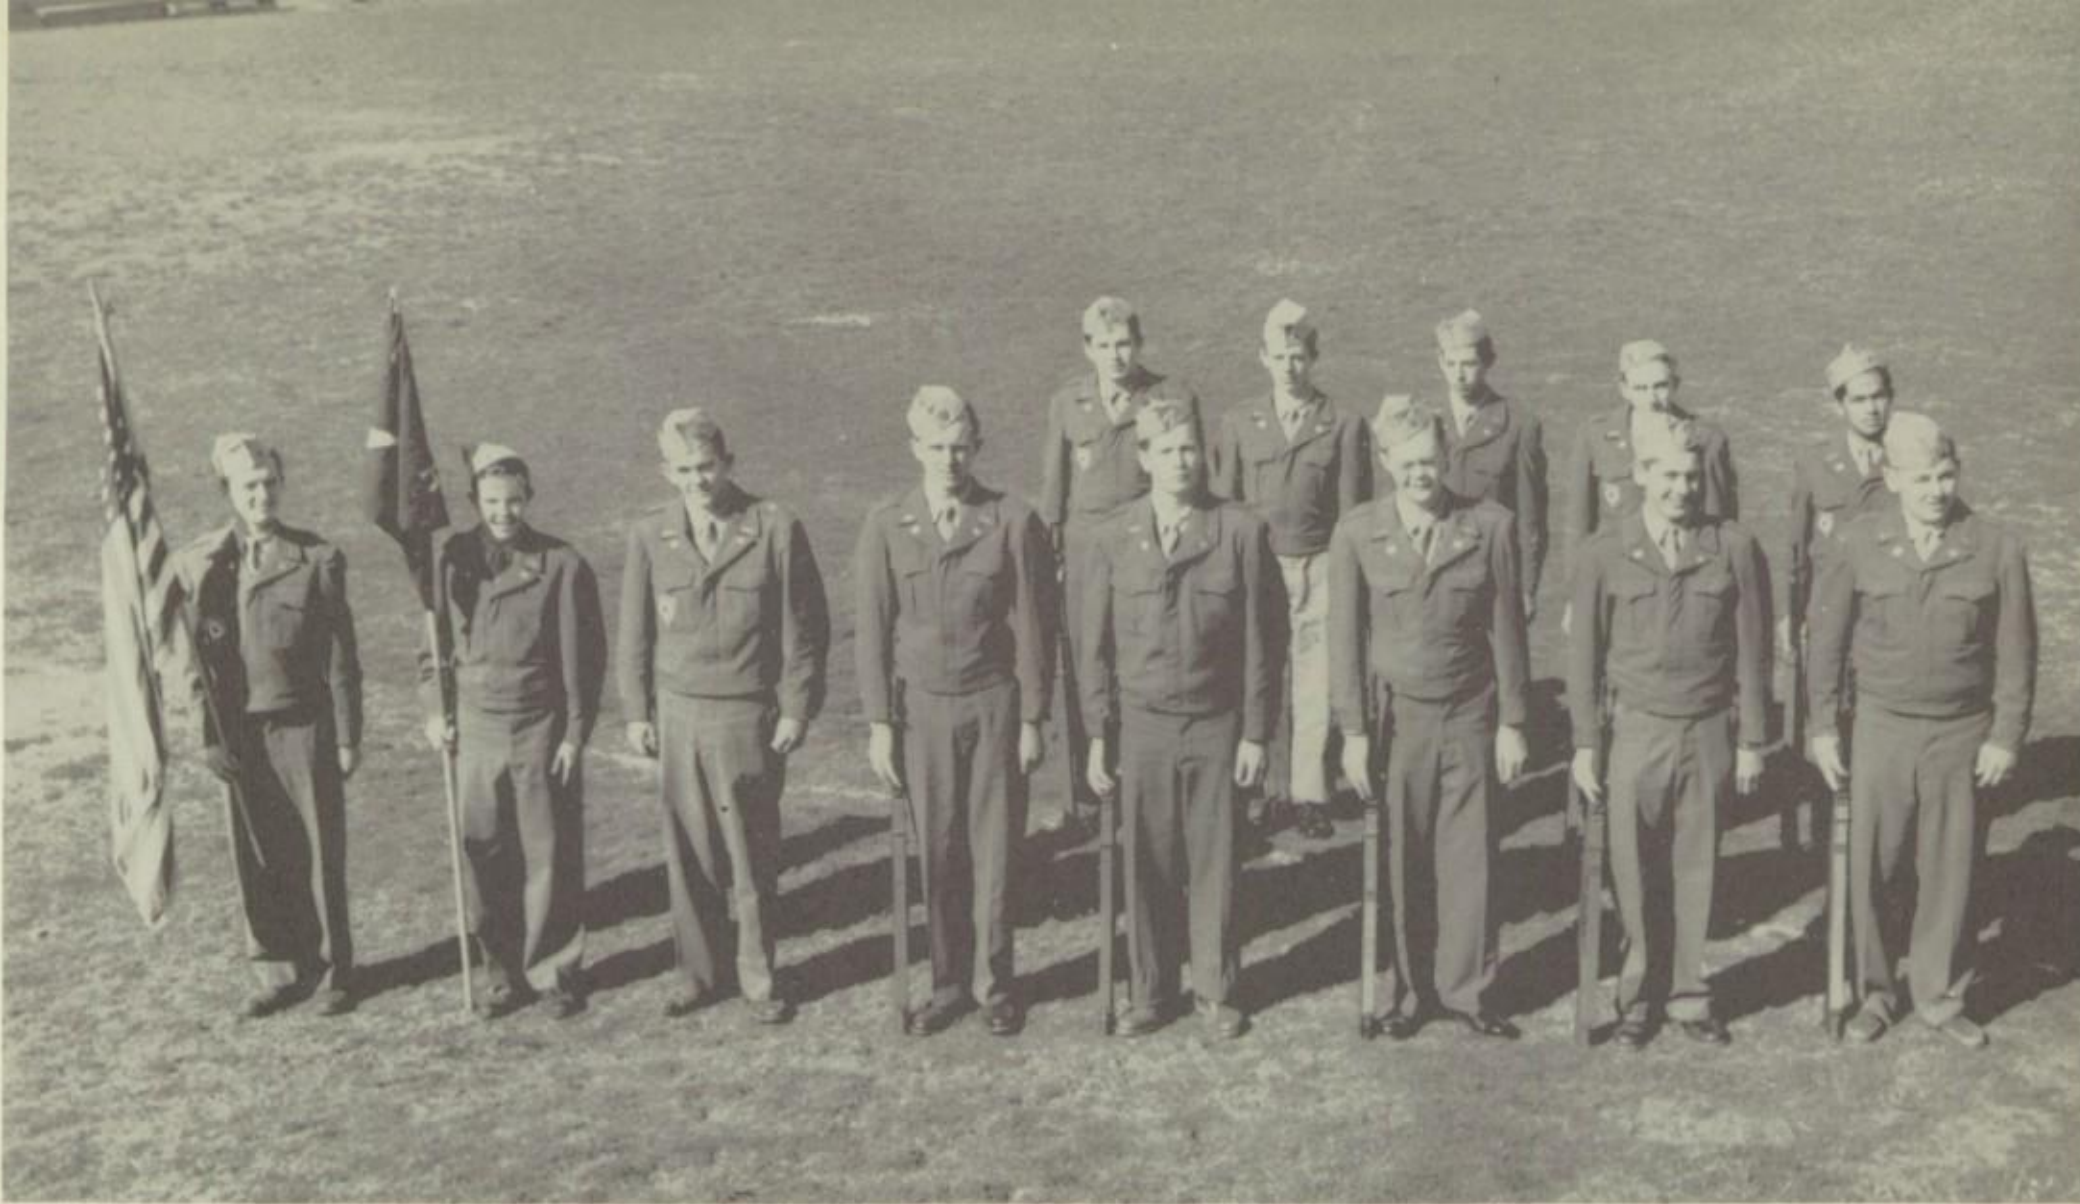

A grieving mother told a cor-
oner's jury, her 18-year old son,
dead of drug addiction, had used
narcotics with her knowledge
since he was fifteen.

Narcotics are no respecter of
persons. As well as wrecking
lives it also claims them. Cases
similar to the one just mention-
ed happen all over the country.
The rich as well as the poor,
from slums to society, drug ad-
diction takes its toll.

What is the remedy to this
problem? No matter what it is,
disposing of this vice should be
of concern to all. Organized syn-
dicates composed of underworld
characters and criminals are
largely responsible for the dope
traffic in the U. S. However, we
the citizens, are responsible for
allowing this racket to continue.
It is high time a move is made
to abolish this vice, for the peo-
ple to make a stand against it.

Cadet Corps

The CADET CORPS is composed of twenty-one cadets. Since the State Law limits to two, the number of officers for each platoon, only two promotions could be made this year: Ray Wiebe to First Lieutenant and Don Murrison to Second Lieutenant.

Rifle matches add greatly to the interest in the Cadet Corps. At the District Rifle Match at Merced, Charles Henley was outstanding. Matches with Bret Harte and Tuolumne are scheduled for the spring.

Forty-nine boys, twenty-three of whom are Greenhands, make up the membership of the Calaveras Chapter of the FFA. The officers are President, Joe Larson; Vice President, Richard Cuneo; Secretary, Don Murrison; Treasurer, Gordon Ames; Sentinel, George Briski; and Reporter, Willard Tower. These officers attended the Officers Candidate School held in Lodi.

A trip was taken by the whole class to a Co-op Conference in Linden, where panel discussions were held on farmer's cooperatives. A study of beef and sheep was made at the Ospital Ranch; an explanation of meat inspection was given at Orvis and Clinger Slaughter House. The class also visited Stockton Union Stock Yards.

Dairy, poultry, and livestock teams were sent to the Judging Contest at Davis. A trophy was given to the best judge.

Joe Larson, first place winner, and Don Murrison, second place, won honors for our Chapter at the Sectional Quiz Contest.

Richard Cuneo and Bob Ponte represented the Chapter as delegates to the State FFA Convention in San Luis Obispo.

Joe Larson, Willard Tower, Leonard Morrill, and Cord Moller showed steers at the Cow Palace in San Francisco in January. About twenty boys had exhibits at the Calaveras County Fair.

Dean Ganes and Robert Haupt, graduates of the class of 1951, received State Farmer Degrees in the fall following graduation. Joe Larson, a member of the Class of 1952, has applied for the Degree.

Our motto is "Learning to do, doing to learn, earning to live, and living to serve."

Mystery, comedy, and human interest plays lent variety to the Dramatics Class, under the direction and supervision of Mr. Ronald Lambert, and made this class most enjoyable and successful.

Three one-act plays, *Pink and Patches*, *The Monkey's Paw*, and *Box and Cox*, were presented in the fall.

The Christmas play, *Not Even A Mouse*, proved to be entertaining.

Plans are being made for a major production to be given in the spring.

Junior Varsity Football

Playing their second year in the Mother Lode JUNIOR VARSITY FOOTBALL LEAGUE, our team was a powerful squad that posted a 6 win, 1 tie, 1 loss record at the end of the season. After running an extended win streak to seven straight, the Redskins again bowed to the larger Toulumne Bears in the Championship game.

The JV team continues to be the basis for next year's varsity and will be drawn on heavily for the 52 squad.

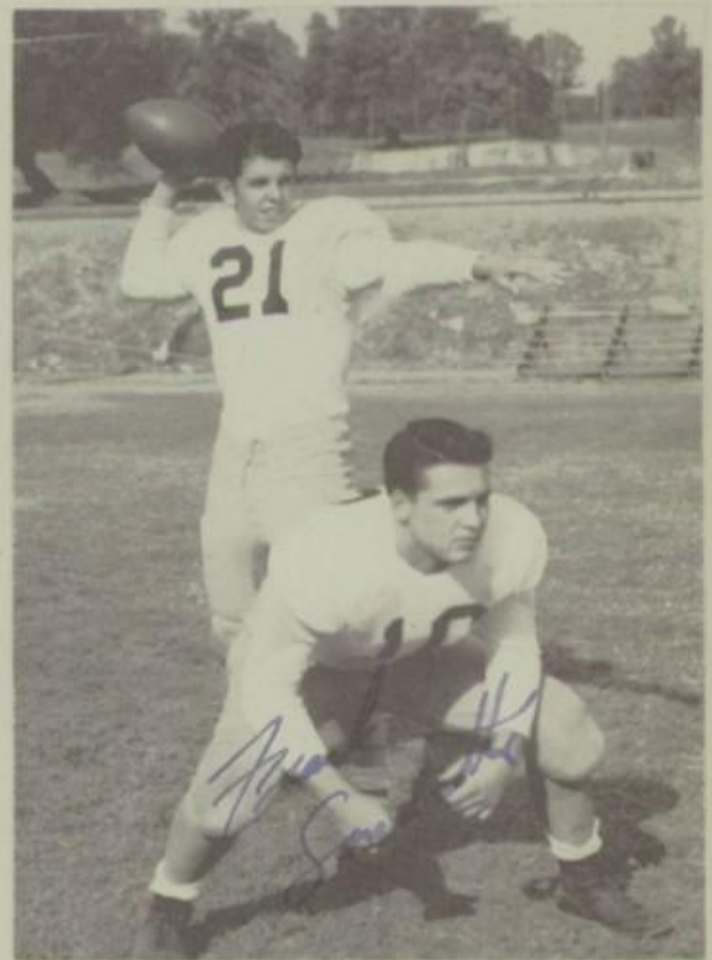

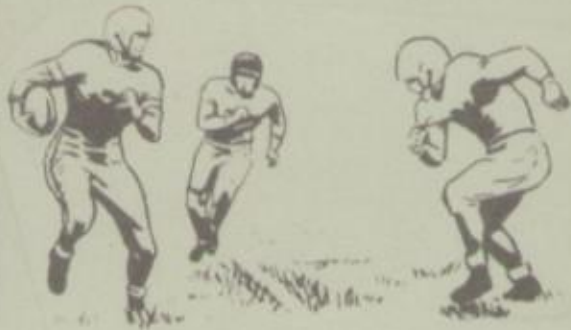

Putting up a hard fight in the line were Rod Kuhn, Louis Galli, and Bob Wimberley. Leading many outstanding backfield men were Larry Quarton and Lowell Winkler.

First row: Joe Larson, Larry Quarton, Bob Russell, Bill Evans, Boyd Austin.

"A" Basketball

Posting an eight win, two loss record, the Calaveras High Redskins took second place in league standings to bring to a close another successful basketball season.

High point of the season for the Redskin cagers was defeating the championship Bret Harte team by the score of 47-46 in their final league game. A free throw by Langley with 4 seconds to go spelled victory for the jubilant Redskins.

In the Mother Lode Tournament, Calaveras was eliminated from the second round by a red-hot Jackson five, dropping the game 51-50.

Leading the Redskins in scoring and terrific ball handling were Ted Schadewitz with 314 points and Bob Russell with 328.

Bruce Langley, Francis Kirk, Boyd Austin, Joe Larson and Larry Quarton together with Schadewitz and Russell will graduate, leaving a hard job of rebuilding for next year's coach.

"B" Basketball

Bringing a mediocre season to a close with a five win, five loss league record, the Calaveras High "B" basketballers nevertheless showed plenty of potential for building next year's varsity.

The best effort of the B season was the 52-33 rout of Bret Harte in the Mother Lode Tournament. After an even first half, Calaveras, led by Bob Wimberly and Larry Cline, played a spectacular brand of basketball to beat the Bullfrogs, who had posted two league victories over the Redskins.

The "B's" played fair ball all season with Bob Wimberly, Earl Henley and Gilbert Quinones leading the team at various times.

With the exception of graduating Earl Henley, these boys, together with Larry Cline, Eugene Weatherby, Bob Blakely, Don Sandretto and Gerald Giuffra will be the nucleus of next year's varsity.

Second row: Neil Botts, Gilbert Quinones, Larry Cline, Gerald Giuffra, Mr. Ridley, Gene Weatherby, Bob Kamena, Wayne Estep.

First row: Bob Blakely, Marion Wimberly, Don Sandretto, Lowell Winkler, Charles Brown, Bob Wimberly.

C and D Basketball

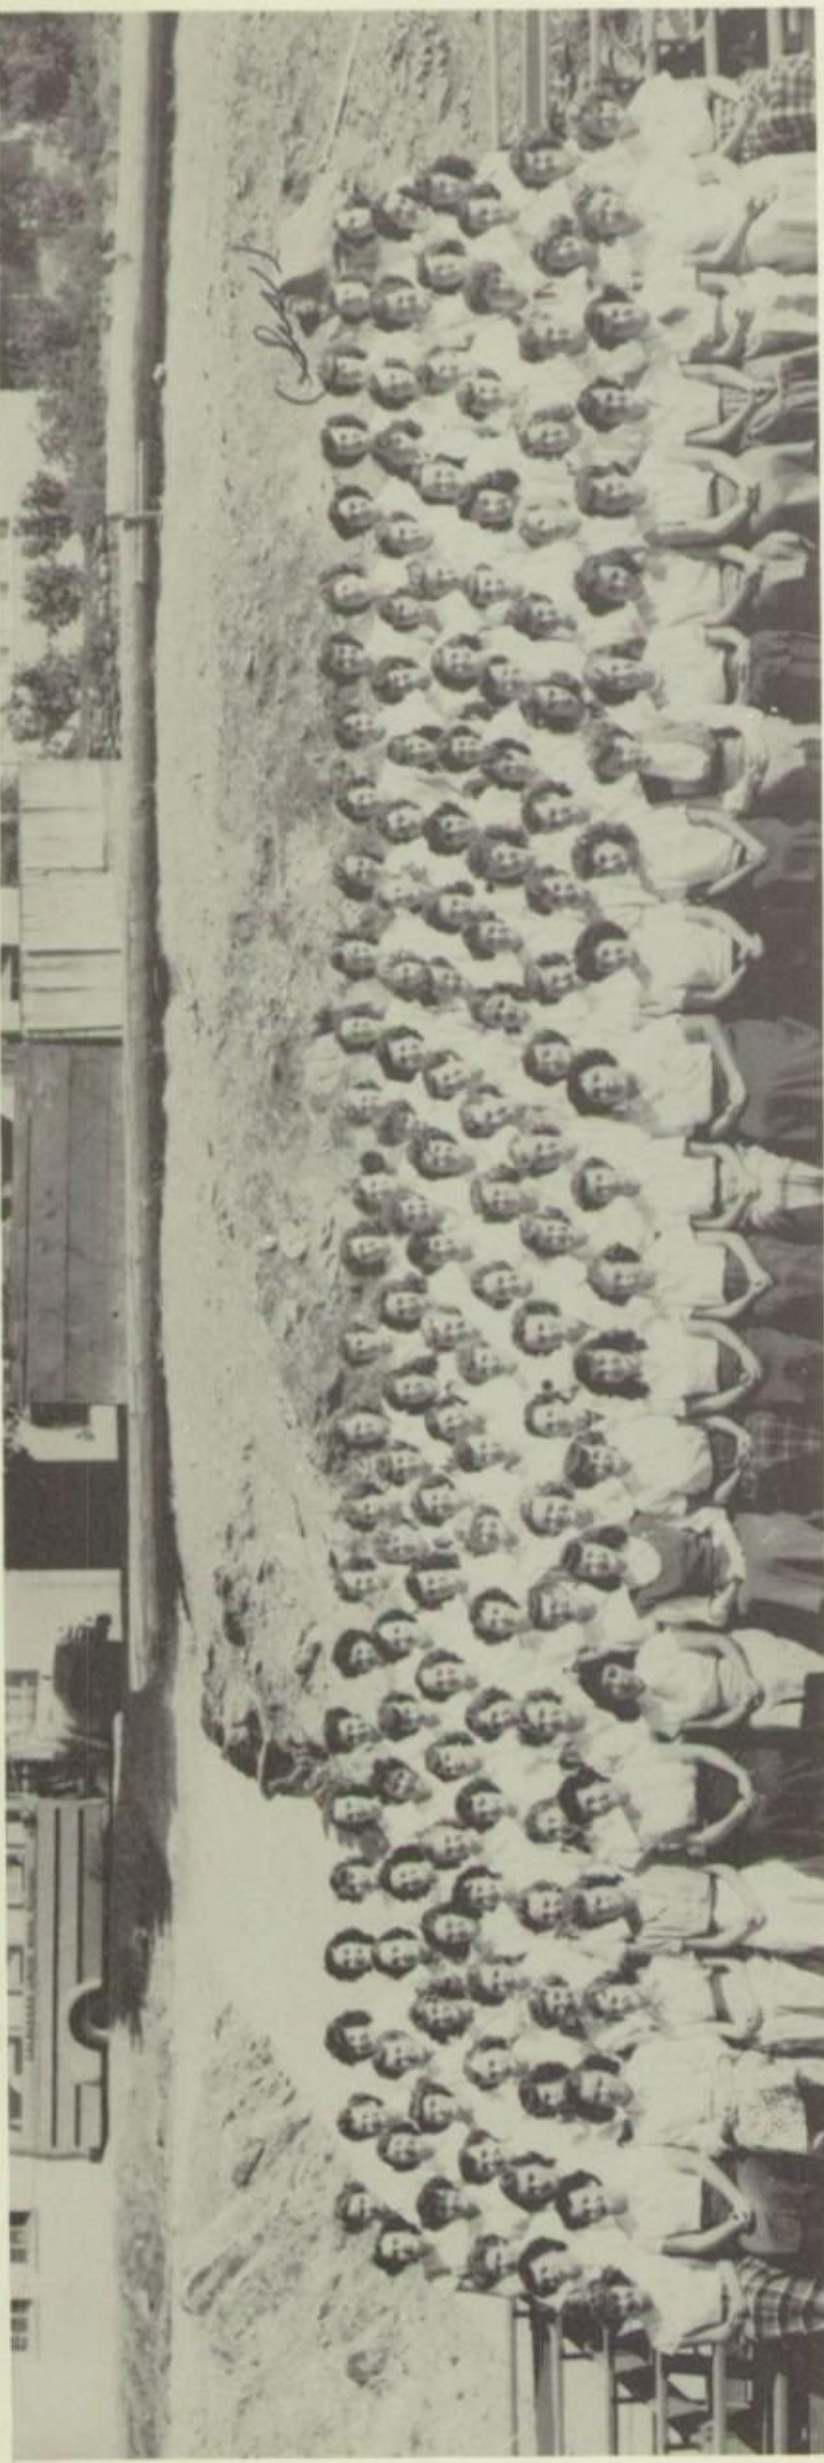

Once again piloted to a successful season by Coach Jack Burns, the Calaveras C and D teams played good basketball and gained valuable experience as the C team won the Mother Lode Championship. The D team could not stand the pace of the tougher competition but gave every opponent a hard fight.

Built up from last year's championship D squad, the Calaveras C's were paced by Gilbert Quinones, Charles Brown, and Marion Wimberly. Jimmy Carley and Leroy Seeman led the valiant D's.

Rebuilding after losing most of the previous year's championship team, the Calaveras Hi baseball team wound up the '51 season in third place in Mother Lode League standings.

Replacing men such as John Reinking, Neil Montgomery, Jim Rudi, Bob Seeman, Jim Martin, and Don Kathan will be a tough job for this year's squad.

This year's team will be built around Bob Russell, infielder and pitcher, Wayne Segale, shortstop, Boyd Austin and Bob Wimberly, outfielders, all lettermen from last year's squad.

Striving for varsity positions will be Clyde Seeman, Ken Deboy, Frank Sandretto, Cliff Hunziker, Ted Schadewitz, Bob Ponte, Charles Brown, Melvin Minch, Eugene Quarton, and Louis Galli.

This season the Mother Lode League will inaugurate a double round-robin schedule, giving all the teams an even chance at the championship.

Money earned by selling cup cakes, pom-poms, and refreshments at football and basketball games is used for the activities of the girls.

The officers for the year are: President, Arlene Ames; Vice President, Marlene Hymer; Recording Secretary, Pat Blagen; Corresponding Secretary, Darlene Ward; Treasurer, Pat Montgomery.

Dear "Sis,"

Always remember the good times we had last summer with Ellen & David.

We were both in the same boat. I was going with Duane & you were going with Ted.

Remember the night the cops chased us half way to West Point & when we had a leaky (gas tank) ha! ha! He will always remind me of that.

Sorry I had to do this in pencil but you know how it is.

When are you & Boyd going to take the big step? Any day now I suppose. "Kidding of course" (I hope) Well so long if I hear from you soon.
